WHAT I DO

I help multinational companies in different industries

- **facilitate client communication** on German-speaking markets
- **enhance cooperation** within multilingual teams
- **reach new markets** in German-speaking countries
- and, ultimately, **expand their business and increase turnover**

How I do that?

By making sure all information comes across and translating not only language, but also culture

Interpretation of company retreats and factory tours

Main success: My interpretation of a yearly 4-day company retreat as well as numerous factory tours helped employees gain a better understanding of the company culture and work methods of their colleagues worldwide, promoting international networking, an exchange of ideas and a greater feeling of belonging to an appreciative company respecting all their employees' backgrounds, cultures and languages
